

**Learning at St Catherine's** - Please take the time to feedback to us.

Whole School Challenge – Can you help? What can we do to improve <b>learning</b> outcomes for our children?		
What do we currently do that works well or helps your child be a successful <b>learner</b> ? 	What could we do to further support or improve children's <b>learning</b> ? 	Is there anything we should stop doing, change or start doing that will improve <b>learning</b> outcomes for your child? 
Any other comments?
