INVESTOR IN PEOPLE

Dear Parents and Carers,

St Catherine's School has been running a Before School Club since November 2013. Below is an overview of what is available should you wish for your child to attend.

The club offers two different packages:

Package 1 starts at 8am and runs until 8:45am. The cost per child is £2 and includes a healthy breakfast consisting of toast, cereal and a drink, and activities.

Package 2 starts at 8:15am until 8:45am. The cost is £1 per child and would **not** include a breakfast but would include activities.

Bookings forms are available from the office. Last minute bookings are available but children must be signed in and payment made on the day please.
