15) While the Academy operates from the Land or part of it pursuant to a lease between the Board and the Company in so far as clause 14 regulates occupation the terms of the lease shall prevail.

16) In the exercise of any discretion that the Secretary of State shall have either in relation to the Land as a consequence of this agreement or pursuant to Schedule 1 of the Academies Act 2010, the Secretary of State agrees to comply with any guidance issued by him in relation to the disposal of publicly funded land that is no longer to be used for the Academy.

17) In relation to any land owned or leased by the Company (excluding any land leased to the Company by the Board, the Secretary of State agrees not to give consent to any disposal or grant of security in respect of such land to the Company as envisaged in the Supplemental Funding Agreement without first consulting the Board and the Diocesan Authority and having due regard to any

concerns expressed by the Board and the Diocesan Authority.

## **CAPITAL GRANTS**

18) The Board and the Diocesan Authority acknowledge the Secretary of State's power to pay Capital Grant to the Company and in recognition of the Board's and the Diocesan Authority's interest in any Capital Grant paid in relation to expenditure on Land, the Secretary of State commits to the following:

19) To the extent that the Secretary of State considers it necessary, in order to protect the value of any future public investment in the Land and in recognition of the Board and the Diocesan Authority allowing the Land to be used for the purposes of the Academy, then the Secretary of State may require the Company and the Board and the Diocesan Authority to enter into a further agreement in relation to such further public investment and Capital Grant. If the Secretary of State determines such further agreement is required, then the parties agree to negotiate in good faith with a view to reaching agreement to enable such Capital Grant, and future public investment, to be paid.

## **INTERVENTION AND SUPPORT**

20) The Board and the Diocesan Authority acknowledge the Secretary of State's right to terminate either the Supplemental Funding Agreement or the Master Funding Agreement in the circumstances envisaged in the Funding Agreement. The Secretary of State agrees with the Board and the Diocesan Authority before taking any such action and in particular serving any Termination Warning Notice to notify the Board and the Diocesan Authority that he intends to take action giving his reasons for such action and to allow the Board and the Diocesan

Authority a reasonable opportunity to make representations regarding such action, including any actions that the Board and the Diocesan Authority intend to take to remedy any failing of the Academy, which the Secretary of State will have due regard to before finally taking any action.

20A) Without prejudice to the generality of clause 20 above, to the extent the Secretary of State has concerns as to the suitability of any person appointed to the Board or a member of the Academy Trust (the Relevant Appointee), the Secretary of State will notify the Diocesan Authority of his concerns before exercising any available remedies in respect of the Relevant Appointee under the Funding Agreement.

20B) As soon as possible following the Secretary of State providing notification under clause 20A, the Secretary of State and the Diocesan Authority will meet to discuss the Secretary of State's concerns. The Diocesan Authority agrees to provide any further information on the Relevant Appointee which is reasonably requested by the Secretary of State and:

(a) the Diocesan Authority acknowledges that the Secretary of State may, in his absolute discretion, carry out any additional due diligence on the Relevant Appointee and agrees to act reasonably in co-operating with any requests for assistance by the Secretary of State; and

(b) the Secretary of State agrees to share any information of concern with the Diocesan Authority and to consult with the Diocesan Authority as to what remedial action should be taken in respect of the Relevant Appointee.

20C) To the extent the Diocesan Authority agrees that the Secretary of State's concerns regarding a Relevant Appointee have merit, the Secretary of State acknowledges that the Diocesan Authority may, in the first instance, determine what remedial action to take in respect of that Relevant Appointee before the Secretary of State exercises any available remedies under the Funding Agreement.

20D) If the Diocesan Authority does not agree with the Secretary of State's concerns regarding a Relevant Appointee, or the Diocesan Authority (in the

Secretary of State's opinion) unreasonably delays taking remedial action or does not otherwise (in the Secretary of State's opinion) take appropriate remedial action, the Secretary of State shall issue a notice under the Funding Agreement requesting that the Diocesan Authority reconsiders its approach, together with any further supporting information of concern.

20E) To the extent the Diocesan Authority does not reconsider its approach, or otherwise does not take remedial action to the Secretary of State's satisfaction, the Secretary of State reserves the right to exercise any available remedies available to him under the Funding Agreement.

20F) Notwithstanding clauses 20D and 20E, the Secretary of State acknowledges and agrees that the decision to remove a Relevant Appointee is the sole responsibility of the Diocesan Authority.

21) Not used.

22) In the spirit of partnership, where the Board and/or the Diocesan Authority puts forward a school improvement plan, whether or not in the circumstances envisaged in clause 20, the Secretary of State will consider any proposals within it and in good faith will consider any resource or funding implications, without, for the avoidance of doubt, being under any obligation pursuant to this Agreement to agree to fund such proposals.

23) The Secretary of State agrees to meet the costs of any relevant statutory denominational inspection proposed by the Diocesan Authority provided these do not occur any more often than once every three years.

23A) The parties acknowledge that clauses 2.24 and 2.25 of the Funding Agreement apply to all academies. They explicitly require that pupils are taught about the theory of evolution, and prevent academy trusts from teaching 'creationism' as scientific fact.

23B) 'Creationism', for the purposes of clauses 2.24 and 2.25 of the Funding Agreement and clause 23A above, is any doctrine or theory which holds that natural biological processes cannot account for the history, diversity, and

complexity of life on earth and therefore rejects the scientific theory of evolution. The parties acknowledge that Creationism, in this sense, is rejected by most mainstream Churches and religious traditions, including the major providers of state funded schools such as the Anglican Churches, as well as the scientific community. It does not accord with the scientific consensus or the very large body of established scientific evidence; nor does it accurately and consistently employ the scientific method, and as such it should not be presented to pupils at the Academy as a scientific theory.

23C) The parties recognise that the teaching of creationism is not part of prevailing practice in the English education system, but acknowledge that it is however important that all schools are clear about what is expected in terms of the curriculum which they need to provide. The parties further recognise that the requirement on every academy and free school to provide a broad and balanced curriculum, in any case prevents the teaching of creationism as evidence based theory in any academy or free school.

23D) The Secretary of State acknowledges that clauses 2.24 and 2.25 of the Funding Agreement, and clauses 23A and 23B above do not prevent discussion of beliefs about the origins of the Earth and living things, such as creationism, in Religious Education, as long as it is not presented as a valid alternative to established scientific theory.

## **TERMINATION**

24)The Board may give not less than two years written notice to the Company and the Secretary of State to terminate this Agreement.

25)In the event of any termination of either the Supplemental Funding Agreement or the Master Funding Agreement in circumstances where the Academy would not otherwise be closing, the Secretary of State will have due regard to any wishes of the Board and/or the Diocesan Authority with regard to the future of the school as a “voluntary” maintained school for the purposes of the School Standards & Framework Act 1998.

26)Notwithstanding any termination or expiry of this Agreement the provisions of

clause 25 shall continue to apply.

## **MISCELLANEOUS**

27) Any notice or other communication concerning this Agreement shall be sent, in the case of a notice or communication from the Secretary of State to Board and/or Diocesan Authority at its registered office or such other addressee/address as may be notified in writing from time to time by the Board and/or the Diocesan Authority and, in the case of a notice or communication from the Board and/or Diocesan Authority to the Secretary of State to Head of Academies Division, Department for Education, Sanctuary Buildings, Great Smith Street, London SW1P 3BT; or such other address as may be notified from time to time by the Secretary of State and where any such notice or communication is sent by post, unless the contrary is proved, it shall be deemed, subject to satisfactory proof of posting, to be effected at the time at which the letter would be received in the ordinary course of post.

28) No term of this Agreement is intended to give any entitlement as against any party to any person who is not a party to this Agreement and no term of this Agreement may be enforced by any person other than a party under the Contracts (Rights of Third Parties) Act 1999.

29) The obligations of the parties are several and for the avoidance of doubt none of the Company, Board or Diocesan Authority shall be deemed to be liable in respect of the acts or omissions of the other as between these parties and the Secretary of State.

30) For the avoidance of doubt nothing in this Agreement is intended to vary or amend any provision of the Funding Agreement or any obligation arising under it.
