### **Academy Improvement Plan – Structure, Aims and Responsibilities**

## Academy Improvement Plan Process (LGAB)

This Academy Improvement Plan is a short term annual plan which links with the school Self Evaluation process and the school budget. The SEF links to the current OFSTED Framework for Inspection criteria. This plan runs through from Jan 18 to Jan 19 in line with all ADMAT SI processes.

The Academy Improvement Plan 18 has been created using triangulated whole school efficiency evidence, achievement data and feedback stakeholders.

The Academy Trust Improvement Plan (AIP) purpose is to review and evaluate the impact of previous developments, identify key areas for improvement over the coming year and to outline the action to be taken in key areas. The annual budget is matched to the priorities for the Academy Improvement Plan. Related documents to this plan include the separate PPG and PE Funding Provision Maps and impact reports for 16/17/18 published on the school website.

## **Academy Improvement Aims (LGAB)**

### **Aims of the Academy Improvement Plan 2018**

- Set challenging targets in the curriculum to raise achievement for all pupils.
- Raise expectations and standards of learning and teaching for identified priority groups.
- Provide high quality resources across the Academy Trust ensuring quality provision at all stages of children's development.
- Provide staff with training to enable them to improve and teach more effectively.
- Provide inclusive curricular provision to enable children to fulfil their potential.
- Provide a safe, secure learning environment which enables children to continue to treat others with understanding and respect.

### **Leadership and Academy Organisation**

- Provide strong, cohesive and effective leadership with a clear direction on improving achievement across all settings.
- Enable staff with leadership responsibilities to be accountable for high achievement.
- Increase involvement of parent and carers in children's learning.

### **Staff Development**

- Develop the role of Domain/subject leaders in monitoring, evaluating and leading children's learning.
- Ensure performance management is effective in supporting professional development for all staff.
- Ensure that all staff have opportunities for the professional review of their impact.

### **ADMAT Aims:**

#### **Vision Statement**

To be the primary gateway for life-long learning ensuring every child in the Multi Academy Trust is equipped for present and future success.

#### **Core Aim**

We are committed to improving the life chances of children by delivering high quality academic, social, economic and experiential learning to raise aspirations and contribute effectively to positive personal development.

**We will achieve this by;**

- Accelerating and sustaining children's progress towards higher achievement.
- Ensuring achievement gaps for disadvantaged children are addressed.
- Ensuring children are equipped for the next phase of learning.
- Creating an enjoyable and creative curriculum that meets the learning needs of children.
- Providing for children a safe, stimulating, caring but challenging learning environment.
- Encouraging children's active participation in outdoor and sporting learning opportunities.
- Working positively with stakeholders and partners to provide an integrated educational experience for children and families.

**School Aims:**

At St Catherine's Church of England School we strive to educate our children to realise their aspirations and to contribute positively to society guided by our Christian principles.

Recognising its historic foundation, the School will preserve and develop its religious character in accordance with the principles of the Church of England and in partnership with the Church at parish and Diocesan level. The School aims to serve its community by providing an education of the highest quality within the context of Christian belief and practice. It encourages an understanding of the meaning and significance of faith, and promotes Christian values through the experiences of children.

***Our aims for teaching and learning are that all the children will:-***

- be tolerant and understanding with respect for the rights, views and property of others.
- develop a responsible and independent attitude towards work and towards their roles in society
- not be limited in terms of their achievement academically, aesthetic appreciation and spiritual awareness.

***Our school believes that:***

- Children are the only reason why this school is here. Each child comes with amazing gifts, remarkable talents and immeasurable potential. We have a moral duty to ensure that each child is able to discover and develop these.
- Pupils will be happy and will flourish when working with adults who inspire them to learn. Relationships, based on mutual respect, trust, fun and high expectations are the key to excellent learning.
- Pupils will be happiest and achieve best when their families, in whatever form they happen to be, are involved and working closely with us. We will strive to develop strong partnerships with families.
- A broad and balanced creative curriculum offer inspires and motivates every child.
- Pupils will access learning most relevant to their educational need not chronological age.

Improve progress and attainment of all pupils including GDS, PPG and SEN in Maths to be in-line with national benchmarks.

Continue to improve progress and attainment of disadvantaged pupils including PPG and SEN to be in-line with national expectations for non-disadvantaged pupils.

Continue to improve learning to include provision of challenge and mastery in all lessons to increase progress and raise outcomes for all pupils and especially for the more able in all subjects to be in-line with or better than national averages.

Improve pupils' ability to be assessment-capable visible learners. Teachers to develop pupils' ability to learn with independence and resilience. Develop learning dispositions that enable pupils to have control over their own learning so that they know what and how to improve and progress.

Continue to develop our curriculum so that is led by pupil interest, objective-based and inspires pupils in a contextual, creative and cross-curricular way whilst ensuring coverage is broad and deep. Include within this new requirements for daily physical activity and an increased proportion of outdoor learning.

Continue to develop distributed leadership across the school that promotes and inspires teachers' proactive engagement in their own professional development, focused on improving outcomes for all pupils.

Develop the Christian distinctiveness of the school including the spiritual dimension of all subjects through the inclusion of a curriculum that develops children's characters, global awareness and understanding of community responsibility.

### Progress – Whole School

Lesson Observations of SPAG and book scrutiny show that SPAG is now taught consistently daily across the school.

External lesson observations demonstrate good teaching by 100% of teachers however lack of challenge for some pupils has been identified in January Monitoring visit.

SPAG teaching impact measured in 3 cohorts Sept to Dec:

Yr 2 – 1.04 effect size/Yr3 0.75% effect size/ Yr6 0.71% effect size

| GDS SPAG (110+)    | 10%  | 21%     | 28% (8/29) | +18%        |

| KS1 Results | 2016 | 2017 Submitted | Difference |
|-------------|------|----------------|------------|
| GDS Reading | 30%  | 40%            | +10%       |
| GDS Writing | 7%   | 17%            | +10%       |
| GDS Maths   | 7%   | 20%            | +13%       |

**Actions to complete:**

- Ensure consistency in all lessons daily – challenge for all pupils- more able given the opportunity to ‘grapple daily with new learning’ and that difference with PPG GDS is diminished.
- Monitor predicted progress levels for each cohort to ensure more-able are making good progress.
- Improve maths provision to bring progress and attainment in-line with other subjects

### **Academy Improvement Plan 18 – Self Evaluation Summary**

## Self-Evaluation - OFSTED Data Dashboard 17/ASP 17 - Priority Overview (LGAB)

Disadvantaged pupil achievement remains an ADMAT focus. Detailed self- evaluation for this pupil group is required here.

### ASP17/Corestats 17 – Internal Summary

#### Pupil Premium Grant:

- No significant difference in PPG/ Non in Foundation – 1 pupil =100%
- No significant difference in PPG/ Non in Phonics – both results above national benchmark
- No significant difference in PPG/ Non in Writing (It was low overall)
- PPG gaps at KS1 are decreasing against National and Non
- KS2 was in-line with National Writing/ SPAG and Reading – Maths was lower for PPG
- Overall PPG gap has improved on previous year in most subject areas
- GDS for PPG is low, particularly in maths.
- PPG progress was very good in all areas.

#### Foundation Stage:

- Good Level of Development has remained in line with county but remains slightly lower than National
- 1 new pupil in May dropped GLD (3%)
- Baseline Data shows 0% of children on track to enter school at 40-60m- Clear majority working in 30-60m
- No gaps in ppg/non
- Focus on shape and measure and writing
- Majority of Summer-born achieved GLD.

#### Year 1/Key Stage 1:

- Phonics remains at 90% significantly above National.
- All results in KS1 went up this year.
- Reading, Writing and Maths are above National for Yr2 SATs
- GDS in all subjects is above or in line with National

#### Key Stage2:

- Combined, Reading and Writing are in line with National
- Maths is a focus as 10% below national.
- No significant gender differences in any areas
- 2 EAL results were lower than National but both pupils were late into the country.
- ing/ Summer Birth
- PPG reading and writing broadly in line with non but maths is significantly lower
- Improved picture for GDS across writing, reading and EGPS but still below national for maths
- EGPS significant increase from last year +14% and up to 28% GDS. 4% below national for ARE.

- Scaled score 3% below national but de-aggregated reduces this to 1% difference.
- 2 EHCP pupils in this year's cohort

**Value Added:**

- Expected progress is in line with National and meet floor standards
- Percentile rank has improved in all reading and writing but is lower in maths

## Key Priorities, Milestones and Key Performance Indicators - AIP 18 (LGAB)

To achieve our aims for learning and based on self-evaluation of evidence our improvement work will focus on the following identified priorities for the next 12 months:

all improvement work will focus on the following key priorities, key outcomes and key milestones:

**Priority 1:** Improve progress and attainment of all pupils including GDS, PPG and SEN in Maths to be in-line with national benchmarks.

- ✓ Pupils end of academic year assessments evidence that they are in-line with national ARE -end Summer Term 18
- ✓ 20% of pupils achieve GDS in mathematics at end of KS tests - end Summer Term 18
- ✓ Pupils' attainment in maths matches those of similar groups nationally.- end Summer Term 18
- ✓ The gap between attainment in maths and core other subjects is closed. -end Summer Term 18

**Priority 2:** Continue to improve progress and attainment of disadvantaged pupils including PPG and SEN to be in-line with national expectations for non-disadvantaged pupils.

- ✓ Reviewed PPG map and provision evidences good progress and that the differences have been diminished to 10% or less- end Summer Term 18
- ✓ PPG pupils end of academic year assessments evidence that they are in-line with national ARE for non-ppg pupils or that there has been a significant diminishing of the gap shown through progress measures- min 65% -end Summer Term 18
- ✓ PPG pupils achieve a higher level of GDS in end of KS tests - end Summer Term 18
- ✓ SEN pupils' attainment matches those of similar groups nationally.- end Summer Term 18

**Priority 3:** Continue to improve learning to include provision of challenge and mastery in all lessons to increase progress and raise outcomes for all pupils and especially for the more able in all subjects to be in-line with or better than national averages.

- ✓ 100% of monitored teaching and learning to evidence challenge and mastery level activities included in lessons - end Summer Term 18
- ✓ 20% of pupils in each year group, achieving GDS in core subjects evidenced through end of year assessments.- end Summer Term 18
- ✓ Pupils' ability to tackle mastery level and challenging activities independently in learning evident. Book scrutiny demonstrates **all** pupils, including the most able, have the opportunity to grapple daily with new learning. Challenge is visible and supported by high quality learning environments – end Summer Term 18

**Priority 4:** Improve pupils' ability to be assessment-capable visible learners. Teachers to develop pupils' ability to learn with independence and resilience. Develop learning dispositions that enable pupils to have control over their own learning so that they know what and how to improve and progress.

- ✓ 100%+ of monitored teaching and learning to evidence application of VL strategies - end Autumn Term 18
- ✓ 100% of monitored teaching and learning to evidence effective independent learning skills - end Summer Term 18

- ✓ Assessment evidence shows vast majority of pupil's independent learning skills are age appropriate - **end Autumn Term 18**
- ✓ Attainment improved due to higher level of independence skill application by pupils at both KSs – **end Summer Term 18/end Autumn Term 18**
- ✓ Independent learning skills evident, visible and supported by high quality learning environments – pupils understanding of their own attainment, progress and next steps evidenced through pupil conferencing -**end Autumn Term 18**
- ✓ Greater parental participation in pupils' learning through take up of workshops etc to support home learning. **end Autumn Term 18**

**Priority 5:** Continue to develop our curriculum so that is led by pupil interest, objective-based and inspires pupils in a contextual, creative and cross-curricular way whilst ensuring coverage is broad and deep. Include within this new requirements for daily physical activity and an increased proportion of outdoor learning.

- ✓ 90 % of pupil conferences evidences pupils' ability to discuss their learning, an engagement in what they are learning and an understanding of why they are learning it.-**end Autumn Term 18**
- ✓ 100% of planning on the new proformers evidences objective-based learning experiences planned for with opportunities for pupils to apply skills and understanding within a range of contexts and subjects.-**end Summer Term 18**
- ✓ Review of curriculum coverage evidences a broad curriculum which incorporates elements of pupil voice in choosing what they learn, a significant proportion of outdoor, cross-curricular learning and increased daily activity equating to 30 minutes daily.-**end Autumn Term 18**

**Priority 6:** Continue to develop distributed leadership across the school that promotes and inspires teachers' proactive engagement in their own professional development, focused on improving outcomes for all pupils.

- ✓ Teachers' performance management reviews demonstrate a proactive approach to achieving targets, evidenced through the 5 point monitoring model– **end Spring Term 18/end Autumn Term 18**
- ✓ Assistant Head achieves the CPQH qualification — **end Autumn Term 18**
- ✓ Coaching of leaders improves on areas identified for development leading to a greater effectiveness when leading cohesive and consistent teaching and support staff teams able to achieve school data targets.- **end Summer Term 18**
- ✓ Impact coaches demonstrate impact in ensuring VL is implemented effectively throughout each KS evidenced through learning observations, walks, conferencing and books. Ensure all support staff are fully trained in delivering the VL ideology in their roles - **end Summer Term 18**
- ✓ External monitoring evidences improved senior and middle leadership across St Catherine's, evidenced through leaders' ability to understand the data, the school priorities, explain what has been put in place and the impact of this. – **end Spring Term 18**
- ✓ Leadership of the school demonstrates significant and rapid improvement in all of the key identified priorities and specifically in raising attainment and improving progress in the school— **end Autumn Term 18**

**Priority 7:** Develop the Christian distinctiveness of the school including the spiritual dimension of all subjects through the inclusion of a curriculum that develops children's characters, global awareness and understanding of community responsibility.

- ✓ Understanding Christianity assessments in place – **end of Spring Term 2018**
- ✓ HoS and RE subject lead have attended relevant training on the new SIAMs framework— **end Spring Term 18**
- ✓ Worship Leaders and Collective Worship committee effective in improving pupil engagement/voice and participation in Collective Worship—**end of Summer Term 2018**
- ✓ SIAMs Self-Evaluation clearly identifies priorities in meeting new framework requirements. SIAMs action plan reflects new framework requirements — **end Spring Term 18**
- ✓ Community projects involving our local community and pupils at the school up and running- **end of Summer Term 2018**
- ✓ SMSC policy and scheme of learning updated to reflect spiritual, cultural and global dimensions. Clear evidence that pupils are exposed to a curriculum that specifically develops their global awareness, understanding of their own and others cultures. Clear evidence that children’s spiritual development and understanding of the Christian religion and ethos of the school is provided for in a range of ways. — **end Autumn Term 18**
