DISCLAIMER

Information regarding the number of children in a school, the number of vacancies and a child's place on a waiting list can change at short notice. Advice about vacancies does not constitute an offer - this will only be the case where a formal offer is made in writing on behalf of the admission authority, by email or letter. If you are in any doubt, please discuss this with a member of the Admissions Team.

A Letter from Dawn Stabb, Education and Learning

Dawn Stabb,
Head of Education and
Learning,
Devon County Council

As a parent, you have an important role to play in helping your child take the various steps on their journey through education. We are keen to work with you - not only to make sure that applying for a school place is a positive experience for you but also to help your child achieve their full potential in a warm and caring environment in school.

We want to make sure that as many children as possible get a place at the school they want. Devon works hard to make the process smooth and straightforward. For the 2020-21 intake 98.3% of Devon children were offered a place at one of their three ranked primary schools, with 94.6% getting their first preference. For secondary schools, 97.4% were offered one of their preferences and 92.6% got their first preference. Many schools in Devon are popular and oversubscribed. I advise you to consider carefully the preferences you make and visit your local schools if you can before you apply.

The information in The Step by Step Guide is for the academic year 2021-22 and describes the process from pre-school through primary or infant and junior schools, through the different kinds of secondary school to post-16 education. You will be able to make an application at each transfer point for a place at the next school in your child's education career.

Please read each section as it applies to your child and be aware of the other sections as they will tell you about what lies ahead at other transfer points. The Step by Step Guide is accompanied at www.devon.gov.uk/schools/school which gives admissions information about each state-funded school in Devon and those close to the Devon border. We also produce an online In-Year Admissions Guide at devon.cc/prospectus. Together, they form Devon's composite prospectus for admissions. All three elements are provided online but paper versions can be made available on request.

If you have any queries about the admissions process, please contact the Education Helpline on 0345 155 1019.

Reminders to apply for children and young people who live in Devon

- For admission to a primary or infant school, details of how to apply will be sent to you during the second week in November. If you have not received this, please contact the Admissions Service.
- For admission to a junior school, details of how to apply will be sent to parents of children in Year 2 at an infant school during the second week in November. If you have not received this or your child is in Year 2 at a primary school, please contact the Admissions Service.
- For admission to a secondary school, details of how to apply will be sent to parents of children in Year 6 during the first week in September. If you have not received this, please contact the Admissions Service.
- For admission to a UTC or studio school, no notice to apply will be sent to you.
- For admission to a FE College or a transfer to a different sixth form, no notice to apply will be sent to you.

How the Admissions System works

Every year, Devon County Council receives between 7,000 and 8,000 applications for children to start in Reception, 600 applications to transfer to a junior school and over 7,000 applications to transfer to a secondary school. This is in addition to the newer option for children to transfer to studio schools and university technical colleges (UTCs) at the beginning of Key Stage 4. Normal round applications are co-ordinated by local authorities across the country so that every child is offered a place at a school on the same day.

Co-ordination makes the system fairer and more transparent. Every child should be offered a place but none should have more than one offer as that would mean other children could be refused their application.

With co-ordinated admissions, parents** name the schools they want to apply for on one form, no matter where the schools are in England. This is called expressing a preference for a school. Parents can't choose which school their child attends, but can choose the schools they apply for.

While Devon County Council is responsible for co-ordinating admissions within the county area - that doesn't include Torbay or the city of Plymouth - admissions criteria are the responsibility of the admission authority for each school.

For these own admission authority schools, academies, studio, free, foundation and voluntary aided (VA) schools and UTCs, the admission authority for the school is the governing body or the academy trust of the school itself. They'll have their own admission policies and many will have an extra form for parents to fill in. These Supplementary Information Forms (SIFs) enable parents to provide evidence that their child should have a higher priority for admission. This is generally evidence of a religious faith or that the child has a parent employed by the school. If a parent doesn't complete a SIF, the application will still be considered but it won't be assessed

against all of the school's admission criteria. The chances of that child being offered a place at the school may be reduced.

Devon County Council is also the admission authority for community and voluntary controlled (VC) schools. A number of own admission authority schools use the same admission criteria as Devon's community and VC schools. The criteria are published in the Admissions Directory which is available online at www.devon.gov.uk/schools/school.

It is important for parents to know how applications are prioritised for any school they are interested in as this can help to assess the chances of getting a place at the school. Parents should think realistically about whether they would get a place before making an application.

When a school has more applications than it has places available - that's called being oversubscribed - published criteria are used to prioritise them, to decide the order in which applicants will be offered places. The LA will manage the priority lists for all schools and offer a place at the school ranked highest by the parent if any of the schools can offer a place. If none of the schools preferred by the parent can offer a place then the LA will offer an alternative: either the catchment school or, if that's full, the nearest school with a vacancy.

At the normal round, schools don't send offers to parents, that's done by the LA where the child actually lives.

Parents have the right of appeal against a decision to refuse admission to a school and there will be a waiting list at least until the end of the first term.

**When we say parent, we mean parent, carer or guardian: the person making an application for school admissions. Young people can apply in their own name for admission after their 16th birthday.

New schools planned for 2021-22

In any academic year, it is possible that new schools will open and others may close. Details will be published at www.devon.gov.uk/admissionarrangements which will be updated whenever a new school or a school closure is confirmed.

Coronavirus and School Admissions

The 2019-20 academic year was significantly disrupted by precautions put in place to reduce transmission of covid-19. This included partial closures of all schools with on-site provision being restricted to vulnerable children and children of key-workers. The timetable for school admission appeals and their format were amended by emergency regulations issued by central government. There have been variations sought to published admission arrangements with regard to dates for school entrance testing and attendance at churches and places of worship as they impact on eligibility to priority on faith grounds. Devon has increased the number of preferences that can be made by parents making applications for the normal round secondary transfer for 2021 from 3 to 4.

It is possible that further or renewed measures may be taken during 2020-21 and affecting the application and allocation process for 2021-22. There are currently other amendments or variations to the admission arrangements that operate in Devon. Should circumstances require other measures to be taken that impact on applications, allocations or appeals, information will be updated at www.devon.gov.uk/admissions and in this composite prospectus.

Normal Round Admissions

Most children are admitted at the normal point of entry for a school. This is generally the earliest point that children can enter the school: it varies according to the type of school:

- First, Infant and Primary schools – the Reception year
- Junior schools - Year 3
- Middle deemed Primary schools - Year 5 (there are none in Devon but parents can apply for a school close to the Devon border or elsewhere if they are moving during the year)
- Secondary schools - Year 7
- High schools deemed Secondary schools - Year 8 (again, there are none in Devon)
- Studio Schools and University Technical Colleges - Year 9 or 10
- Sixth Forms - Year 12

When a school is newly opened or expands, it can also have a one-off normal point of entry. For example, a new primary school might open with children just in Reception, Year 1 and Year 2.

This booklet deals with normal round admissions and is aimed at parents of children who live in Devon. For information about In-Year Admissions and the Fair Access Protocol, please see page 24.

Choosing a school: choice and preference

As a parent of a child living in Devon, you can name up to three different schools on our common application form in the order you would most like your child to attend. (For this year only, you can name up to four secondary schools.) Your most preferred school would be Preference 1. You don't have to name three schools. When you do this, you are expressing a preference for the school you wish your child to attend. Preference is not the same as choice: you cannot choose a particular school. We will always try to provide a place according to your preference but some schools will have more applications for admission than the number of places available. Some applications will be refused so we advise any parent to consider putting more than one school, including one designated for your child's home address (the catchment school).

Co-ordinated Admissions

Local authorities are legally required to make the admissions process fairer for children and families and to make sure that every child who needs a school place for the academic year starting in September is offered one, but only one, school place in response to an application. To do this, we operate a co-ordinated admissions scheme which requires all schools to work with us and enable you to apply for an appropriate school. You can view our scheme at devon.cc/admissionarrangements.

Types of Schools - who is responsible for admissions arrangements and decisions?

- | | |
|----|--|
| C | community non-denominational schools - Devon County Council |
| VC | voluntary controlled schools - Devon County Council |
| VA | voluntary aided church schools - the school governing body |
| F | foundation, non-denominational schools - the school governing body |
| A | academy schools, including free schools, studio schools and UTCs - the academy trust |

All schools operate within the terms of the law, their own published admissions policy and Devon's co-ordinated admissions scheme.

Three Easy Steps

1

Research

- read this booklet
- read the individual school information in the Admissions Directory at www.devon.gov.uk/schools/school
- find out what the schools have to offer your child
- if possible, visit schools you're interested in
- know which school is designated for your child's address
- understand what equally ranked preference means (see page 7)
- be aware of the school transport policy (see page 17)

2

Apply

- complete a local authority common application form
- apply at devon.cc/admissionsonline or on the form in this booklet
- consider completing a Supplementary Information Form if there is one for the school
- consider a letter from a priest if one is required for the school
- express a preference for 1, 2 or 3 schools
- consider naming your designated school as one of your preferences
- provide accurate and complete information
- if you don't apply, the schools you prefer may be filled

3

Apply on time

- the closing date for secondary Year Groups is 31 October
- the closing date for primary Year Groups is 15 January
- you can't apply online after the closing date
- if you use a paper form, hand it in to the school you prefer the most or post it to the Admissions Service
- if your application is late, places at the schools you prefer may already have been filled – no places are held in reserve
- if your application is late you may be responsible for transport to and from a school further away from your home

You must apply for a school place

- even if you have another child already on roll at the school
- even if your child attends a nursery or other Early Years setting on the same site
- even if it is the school designated for your address

No places are held in reserve in case you are not offered a place at another school, change your mind or apply late.

If you aren't successful with any application, you can't assume that there will still be a vacancy at your designated school: it may be full. We advise every parent to consider naming a designated school as one of the preferences.

If you don't put a particular school on your form, it won't be considered for you unless it is the nearest one to home with a vacancy **after** every application has been dealt with. (For studio schools and UTCs, if you don't make an application, we will assume you want your child to stay at his or her secondary school.)

When we ask you to tell us about your circumstances and reasons for naming a school, that must be on your application form or separately in writing, uploaded with or attached to the application form or on a school Supplementary Information Form.

Do

- Do make sure that your child is resident in the Devon County Council area (not in Torbay or the city of Plymouth)
- Do complete a Devon common application form at devon.cc/admissionsonline and submit it by the closing date.
- Do complete a paper Common Application Form if you can't apply online. Return it by the closing date or as soon as possible.
- Do express a preference for 1, 2 or 3 schools (or 4 schools for secondary transfer)
- Do consider how you will get your child to school.
- Do consider naming your designated school as one of the preferences.
- Do tell us in writing if you have another child already at the school or new to the school.
- Do provide evidence if you feel there are exceptional reasons for your preference; why you feel a place must be made available at a specific school. We would expect this to only apply to a parent's first preference school.
- Do tell us in writing if your circumstances change.
- Do tell us in writing if you know your child's address is going to change before September.
- Do check whether any school you are interested in asks you to complete a Supplementary Information Form or provide a letter from a priest.
- Do return your Supplementary Information Form or letter to the school itself by the closing date or as soon as possible.

Don't

- Don't assume that you don't need to apply for your designated school – you must tell us you want a place.
- Don't assume that you don't need to apply for the school where you already have other children – you must tell us you want a place.
- Don't name the same school 3 or 4 times – this will be considered as one preference.

Equally ranked preferences and the application process

The application process enables parents to express a preference for any state-funded school in Devon or elsewhere in England. We will do our best to meet that preference by co-ordinating applications with schools. We publish information about schools to help parents in choosing their preferences.

Each school will have a website and most will have a prospectus (available direct from the school). We would advise parents to look at information for any school being considering as a preference. There are details about schools in the Admissions Directory at devon.cc/prospectus.

There are reports of recent school inspections at www.ofsted.gov.uk.

The Department for Education publishes school achievement and attainment tables at www.education.gov.uk/schools/performance.

All preferences will be considered on the basis of equal ranking. This means that the schools parents put on the application form will be considered without reference to whether they were ranked first, second or third. If a parent could be offered a place at more than one of the preference, the offer will be for the school the parent ranked the highest that is able to offer a place. The co-ordinated admissions process provides a way of ensuring that, as far as it is practical, every parent living in a local authority area who has applied on time receives a single offer of a school place on the same day.

Admission authorities will not know a parent's order of preference. This is because they don't need to know it to reach a decision so parents can be confident that an application for a school further away from home will not put at risk an application for another school such as the catchment school. Parents should apply for schools in the order they would most like a place.

Published Admission Numbers (PANs)

All schools must have a PAN for their normal intake year. This is the number of places planned for at that school for this intake. The PAN is the number of places when the school believes it is full.

The PAN is the minimum number of places that will be allocated to the intake for September if there are enough applications. If there are more applications and the school believes it could, for instance, reorganise and admit another class, the PAN will be increased. The school must be satisfied that it has the resources to do so and inform the LA in time to amend the allocation process.

The LA will use the PANs and the ranked list of applications for each school in the process of allocating a place for each child. If we are unable to meet any preference for a Devon child, we will allocate a place at the school designated for his or her address (but only if there is a vacancy remaining there) or at the nearest school to home with a vacancy. We may liaise with our neighbouring local authorities if the nearest alternative is outside Devon.

If a child doesn't live in Devon and we can't meet any preferences, we will not offer an alternative school. The responsibility to do that lies with whichever is the child's home local authority.

Residency

Applications are considered on the basis of the address from which a child will be attending school. This is very important when a school is oversubscribed as a child's priority for a place is affected by where he or she lives.

Proof of address and residency may be required by the admissions authority for a school. Offers can be withdrawn if there has been a fraudulent or intentionally misleading application so please be honest and up to date.

Moving House

You must inform us immediately of a change of address, even if details of a future change of residency were included on the application form. You may be required to provide supporting evidence to show the place of residency has changed: documents that can be used are tenancy agreements (if applicable), council tax and utility bills, child tax credit or child benefit documents and any other information considered relevant to the application, including the disposal of the previous home. The decision whether a new address is accepted lies with the admission authority for the school. It is important to keep us informed, including where you believe that you will be moving.

How do parents apply?

Apply at devon.cc/admissionsonline or by using the paper version of the common application form in this booklet. In recent years, over 95% of applications have been made online.

An application can be changed at any time up to the closing date. If you apply online, you can view your offer online on the offer date. You can apply from home 24 hours a day and you'll receive confirmation that your application has been received.

To apply online, you'll be asked to create an account which is protected by a password. When you submit an application, we'll acknowledge it by email. If you return to your online account to make a change, this will automatically withdraw your application. You would have to press the submit button again to ensure this new application is submitted. You'll get another email to confirm we've received this new application.

Please note that we'll only discuss your application with you or someone you write to tell us we can discuss it with.

Which application form?

Online applications are made into the transfer group appropriate for a child's age. For paper applications, there is a Devon form for each different transfer group:

Form	Key Stage	Normal round into
D-CAF1	1	Reception
D-CAF2	2	junior school
D-CAF3	3	secondary school
D-CAF4	4	studio school / UTC
D-CAF5	5	sixth form
D-CAF7	1 to 4	other

When to apply?

Online applications are made into the transfer group appropriate for a child's age. Applications are open:

D-CAF1	15 November to 15 January
D-CAF2	15 November to 15 January
D-CAF3	1 September to 31 October
D-CAF4	1 September to 31 October
D-CAF7	for primary or secondary phase, depending on the schools required
no online applications, only use this form or the school's own form:	
D-CAF5	see the website for each sixth form

The D-CAF7 form is available for Middle schools (there are none in Devon) or for any school which has a one-off additional intake for any specified year group.

You can still apply after the closing date using a paper application form. Your application will be late and considered after applications that were submitted on time unless your reason for being late is accepted. This would generally be where you were unable to apply on time or are moving house and would have had other preferences for schools elsewhere.

Applications will only be processed for the first round of offers up to the processing date for the transfer group.

Priority for Admission: oversubscription criteria

If a school has more applications than places, decisions have to be taken about how to prioritise them. The admissions authority for each school will have consulted on and published oversubscription criteria in advance so it is clear to everyone how the applications will be prioritised. These criteria are only used if the school is oversubscribed so, if there are spare places, it doesn't matter if your child lives outside the school's catchment or is not of that school's faith.

Oversubscription criteria In Devon schools

Below are the criteria used by the different schools in Devon. Not all apply to each school - you can see which criteria each school uses in the Admissions Directory at www.devon.gov.uk/schools/school.

Please note that meeting these criteria doesn't guarantee a place, they influence how much priority a child has for a place at that school. Oversubscription criteria are reviewed annually and can change from one year to the next.

Looked After Children (LAC) and formerly Looked After Children priority

Every school has to have this as the number one priority (it could be LAC of the school's faith for a faith school). At the normal round we wouldn't anticipate that a LAC would be refused admission because of the small number of eligible children across the county. By children who were formerly Looked After, we mean those children who were immediately adopted or made the subject of a child arrangements order or special guardianship order when they stopped being Looked After. Every state-funded school in Devon complies with this legal requirement. When we say Looked After Child, it has the same general meaning as a Child in Care. Applications must be made by the person or the LA with parental responsibility, not by a foster carer. A carer's views will be important.

If you are an adoptive parent, you don't have to mention this on an application form though if you don't, your child cannot be prioritised under this criterion.

Please note that Devon's policy is for Looked After children to be admitted to schools that are rated Good or Outstanding by Ofsted. Other schools are considered in exceptional circumstances.

Exceptional Need priority

For most Devon schools, priority is given if a parent can demonstrate an exceptional need to attend that school - and ONLY that school. This could be a need specifically of the child or a parent or both. There may be very challenging circumstances but for admissions priority, the circumstances must mean that ONLY that school can meet the child's needs. Every request will be considered on its own merits, however, you should be aware that a preference to attend a school because friends are expected to go there, convenience for transport arrangements or child-care are NOT considered to be exceptional need. Exceptional need priority is agreed in a very small number of cases. Successful requests will have independent supporting evidence which must indicate why that school is required, not simply describe the medical or social need. Where exceptional need is agreed, the application is prioritised - it isn't a guarantee of admission. It isn't expected that a parent would request exceptional needs priority for a second or third preference - neither could be the ONLY school that the parent believed could meet the child's needs.

It is your responsibility as a parent to provide supporting evidence to be considered under this criterion. You MUST complete a Supplementary Information Form.

Designated or catchment area priority

Almost every address in Devon has a designated primary and a designated secondary school. A small number have more than one. Children living in the designated area (the catchment) for a school will have priority for admissions over other children. This doesn't mean that they are guaranteed admission but in most cases an application will be successful if submitted on time. Where an address is in the designated area for a school and is further than the walking distance of

two miles for primary children and three miles for secondary children, there is an entitlement to free transport in Devon. This applies to one primary and one secondary school for each address. Where there is more than one, we will nominate one school for free transport on designated school grounds.

Children of staff priority

Most Devon schools give priority to children of members of staff who have been working there for at least two years though it can also apply where the member of staff has been recruited within the previous two years ago to fill a vacancy for which there was a skills shortage. Staff priority can only be at the school where he or she works for all or most of the time.

Sibling priority

Most Devon schools give priority to children who have a brother or sister at the school or at another named school with close links to it. Usually this applies if the sibling is on roll at the school when the application is made. This means that a Reception child who starts in September will have priority even though an older sibling in Year 6 will have left the school in July. The sibling must be at that school or a school specifically named in the school's admissions oversubscription criteria.

Faith priority

Voluntary aided, voluntary controlled schools and some academies have a recognised faith character and can prioritise applicants on faith grounds - usually this is regular attendance at a church for a minimum period of time. This is verified by a school Supplementary Information Form (SIF).

Churches and other places of worship have been closed for some time, preventing normal attendance which is required for eligibility to faith priority for some schools. To address this, some schools have requested a variation to their admission arrangements. Parents seeking faith priority on the grounds of qualifying attendance should consult the policy for the school(s) they are interested in and apply in the usual way, with a SIF where re **or later if you make an amendment with new information.**

quired in addition to the Common Application Form.

Feeder school priority

Most secondary and junior schools give priority to children who would join them from named linked or feeder schools. Junior schools name one infant school; secondary schools can name several schools. This applies **ONLY** at the normal round.

Pupil Premium priority

Schools can prioritise children who are eligible for the Pupil Premium, Service Pupil Premium or the Early Years Pupil Premium. This has been taken up by the South Devon UTC and by Colyton Grammar School which use this as a tie breaker.

Nursery priority

Some infant or primary schools give priority to children who attend a nursery run by the school.

Selective schools and Priority for Aptitude

All primary schools are comprehensive which means that they don't use selection tests. Colyton Grammar School is a selective secondary school and admits children who have demonstrated academic ability at the 11+ entrance test. There are no schools in Devon which offer places to children with an aptitude for named subjects.

This year, testing is later than in previous years. this is so that Year 6 children can have more time to get back to school after the disruption to education over the spring and summer. Parents will not have the usual time to consider their preferences before the closing date so every parent will have an additional preference. We advise parents to consider naming at least one non-selective school as a preference in case their selective preference(s) are not successful.

Which criterion will apply to a child?

Oversubscription criteria are listed in priority order and can combine so that, for example, a child living in the catchment area and with a sibling on roll at the school will have a higher priority than a child living out of area who also has a sibling on roll.

Other points to consider for Admission

Address, Sibling and other changes

We will confirm when a new address has been accepted. Evidence may not be required where the school is undersubscribed or where a new address makes the child a lower priority for admission.

If you have another child who is offered a place at the school after the closing date for applications but before the processing date and you tell us about it in writing, he or she will be counted as a sibling in this application process.

The application is “made” when you submit it or later if you make an amendment with new information.

Multiple birth siblings

There is a presumption in favour of admission for all if one or more can be admitted but there is no guarantee. If one twin can be offered the final place, we will try to offer the other twin but it is possible that a school may be able to admit more than its PAN. **If this is the case, it will be for you to decide whether to accept one place or to seek places for both twins elsewhere.**

Children of UK service personnel

Applications for children of UK service personnel moving to an area must be accompanied by an official government letter which declares a relocation date and a Unit postal or quartering area address. This will be used in considering the application against a school's oversubscription criteria. There is no additional priority.

Parents with shared responsibility

Only one home address will be accepted for a child. Each admission authority will make a decision on what it accepts as the child's home address, if necessary, according to its own admissions policy. This may be set out by a court order. Schools will consider all information submitted by either parent. Very rarely, two parents submit applications for different schools. This can be upsetting for children and we strongly urge parents to reach agreement in the best interests of the child. Where this does not happen and, in the absence of a court order,

a place will not be held open at one school once a child has started at another school.

Where a parent who is not the applicant wishes to know which school has been allocated, we would expect that parent to approach the applicant for information. On request and where there is no legal obstacle to sharing the information, we will inform the non-resident parents of the offer.

Waiting Lists

Waiting lists are kept in priority order using each school's oversubscription criteria. A child's position could go down as well as up. Children who arrive after 31 August and who don't have a school place will take priority for admission over children on the waiting list. **Lists are recalculated for the autumn term to remove priority for children who attended a linked or feeder school.**

Information on the application form

Each school's admissions policy will tell you what the oversubscription criteria are and whether you should consider completing a school SIF. You should tell us about brothers and sisters at a school where this would give priority for admission, whether your child has an Education, Health and Care Plan, is Looked After by a LA or was Looked After and any other information you want to be taken into consideration.

For some schools, you may also need to complete a Supplementary Information Form (a SIF) if you want your application to be prioritised on faith grounds or because you or your partner is a member of staff at the school or because there is an Exceptional Need to attend that school.

The admission authority for the school will be unable to take information into account if it you do not tell it on the form. This is particularly important for infant and primary school Key Stage One classes which are organised with 30 children and one teacher. Any appeals for these places will be Infant Class Size reviews of the original decision. New information or changes in circumstances will not be considered by the Appeal Panel so it is

Questions

important that you as a parent say everything you want to say on the original application.

You need to make sure that the information you give is complete and accurate. The offer will be withdrawn if there is clear evidence that a parent has given fraudulent or misleading information, particularly to gain an advantage over others and if the correct information would have meant they'd be refused admission. Please be aware of this when completing and signing the application form.

Places are offered on the basis of the address from which your child is to attend school. This may be different to the address your child lived at when the application was considered. If your circumstances change during the process or if you know your circumstances are going to change (for example, you move house or know you will be moving house before your child starts at the school) you must tell us in writing. If we or the school are unable to get in touch with you, your school place may have to be offered to another child. If you decide that you no longer require a place that we have offered, please let us know in writing as soon as possible.

Information you provide on application forms will be made available to an Appeal Panel to help to understand your circumstances and preferences.

Academy and Foundation conversions

A number of Devon schools have converted to academy status; others may do so. New schools may open. Other schools have converted to become foundation schools with or without a co-operative trust. They are schools maintained by the LA but with responsibility for their own admission arrangements. Academies and foundation schools are legally bound to manage admissions fairly in the same way as all other state-funded schools.

School Admissions Code

School admissions observe the statutory requirements of the School Admissions Code 2014 and the School Admissions Appeals Code 2012. Both are available at www.education.gov.uk/publications

A consultation on changes to the Admissions Code will be completed on 16 October 2020. This will affect the 2022 admissions policies, not the 2021 arrangements.

The Department for Education

is responsible for education and children's services in England.

The Education and Skills Funding Agency

is an executive agency of the DfE, managing funding to support all state-provided education. The ESFA has a role in dealing with complaints about academies.

Children's Education Advisory Service

is a service organisation funded by the Ministry of Defence. It was established to provide information and support to service families and eligible MOD civilians on all aspects of the education of their children in the UK and overseas.

The Office of the Schools' Adjudicator (OSA)

A local authority, parent or other interested party can object against an admissions policy believed to be unfair, breaching the Admissions Code or other relevant legislation. Decisions are binding.

What will we do with your application?

We will verify the details on your application with data we already hold. We will rank preferences for Devon community and voluntary controlled schools. Details of preferences for Devon voluntary aided, foundation, academy and free schools will be passed to them to consider. Details of preferences for schools elsewhere in England will be passed to the LA in those areas for consideration by the relevant admission authorities there.

Schools are not told whether they were your first, second or third preference as that information isn't required to operate their oversubscription criteria.

We will receive ranked lists back from schools and other local authorities. We'll use them to process applications so that a place is offered for each child: at the most-preferred school able to offer a

Questions

place or at an alternative if no preference can be met.

Which schools can you apply for through this process?

Any state-funded school in England (except special schools): including community, voluntary controlled, voluntary aided, foundation, academy, free, studio schools and UTCs.

You can't apply for a school outside of England. You can't apply for an independent (private) school. If you would like places at any school other than an English state-funded school, you must contact the school or relevant body directly. Some UTCs and studio schools require you to apply to them direct. You must also apply direct to sixth forms and Further Education Colleges.

Will your preference be met?

Yes, unless meeting your preference would 'prejudice the provision of efficient education or the efficient use of resources'.

As long as there are places available at a school, preferences will be met. For many schools, more applications will be received than the number of places available. If so, applications are prioritised on the basis of the school's published oversubscription criteria, details of which are the Admissions Directory at www.devon.gov.uk/schools/school.

What if a school is oversubscribed?

If a school has more applications than places, the admission authority will operate its published oversubscription criteria to prioritise applications. Places will be offered at least up to the school's Published Admission Number.

What if a school is NOT oversubscribed?

Schools rank their applications but if there are fewer (or the same number of) applications than places available its oversubscription criteria will not be used and no applicant requiring a place will be refused. You won't be offered a place, however, if another school you ranked higher can also offer a

place. If your preferred school is undersubscribed, your child's address doesn't matter - though of course you must be able to get your child to and from school. If your child is abroad, you must be able to demonstrate that he or she will be able to enter the country - either because there is a right of abode in the UK or there is a valid visa.

There is no obligation for a school to admit a child who has been Permanently Excluded twice, with the most recent exclusion being within the last 2 years.

What if you name a school more than once?

There is no point in writing the same school down more than once – this will count as one preference and it means you may miss out on another school you may have preferred over the school you are offered.

What if you only name one school?

If you only name one school and you are refused, we will allocate a place at your catchment school or the nearest school with a vacancy after other children have been allocated. This may be at a school you didn't want so, to increase your chances of being allocated a place at a school you would like, we recommend you name more than one. Naming just one won't affect whether a place can be allocated there. (Please bear in mind that there is no compulsion for a child to transfer from a secondary school to a studio school or UTC. If an application is refused, we will not look to offer an alternative.)

What if you just want your local school?

We can't assume that you want a place at the school designated for your address or the school your other children have attended. You may have other plans for your child's education or are moving away from the area. You **must** make an application.

What if you don't apply?

- If you don't make a Reception application for your child we will not allocate a place for you.
- If your child is in a secondary school and you don't make an application for a studio school or UTC, we will not allocate a new school.

- If your child is in Year 2 at a state-funded infant school and you don't make an application, we may allocate a place in Year 3 elsewhere.
- If your child is in Year 6 of a state-funded primary or junior school and you don't make an application, we may allocate a place at a secondary school.

You should not rely on this process allocating the school you want without an application.

What if you don't want a particular school?

Don't name a school if you don't want a place there - we will always try to meet your preference. If we can't offer you a place at one of your preferences, the school we offer might be one you didn't want. No places are held in reserve. Where a place is offered at a school further away than could have been offered, you may be responsible for getting your child to and from school.

What if you only complete a Supplementary Information Form (SIF)?

You won't have made a valid application if you just complete a SIF - you must complete the LA form as well.

What if you don't complete a SIF?

If you don't feel your child is eligible for priority on, for example, faith grounds at that school then there is no need to complete a SIF. So long as you complete the LA form your application will be processed. If the school does provide a SIF and you don't complete it, your child can't be prioritised according to the relevant criteria.

What if you change your mind?

If you change your mind about the schools you prefer or the order of your preferences, let us know immediately. If it's before the closing date, you can amend your application with new preferences and the first application will be disregarded. Please ensure the same person signs a fresh application. If it is after this, a change of preference or new request may be considered for the second round of offers. It's likely that some schools will be full and we may not be able to offer you the place you want.

What if your application is late?

Late applications will receive the offer of a school place but not at the expense of an application which was on time or considered to be on time. Unless you can demonstrate that you were unable to apply by the closing date - you may have moved house or an illness or other circumstance prevented you from applying on time - your application will be considered as late. Where a change of preference is as a result of updated information about a new school, we will consider it to be on time up to the processing date. All children whose applications were on time will be allocated a school place before late applications. If you are late, it may be that your local or designated school is full.

Application after closing date but before the processing date:

- your application will be considered to be on-time if your reason for missing the closing date is accepted by the admissions authority for the school. It will be considered alongside other applications and a place offered on the offer date.
- your application is late if your reason is not accepted by the admissions authority for the school. It will be considered after on-time applications and a place offered on the offer date.

Application after the processing date:

No further applications or changes of preference will be accepted for the offer date. It may not be possible to take into account changes in circumstances. Late applications will go forward alongside all others pending to a second round of allocations on the second offer date. All outstanding applications will be considered together for the second offer date.

Application after the second processing date:

These will be processed as they are received. Places will be offered when there are vacancies or the child's name will be added to the waiting list in order of the school's own oversubscription order.

Questions

Application after 31 August:

These will be considered as in-year admissions.

When will you know the result?

On the National Offer Date for primary and secondary places. If you apply online you will receive an email on the offer date. It is your responsibility to keep your email address updated. You can also log into your online account on the offer date to find out which school has been offered. Only applications submitted using the online facility will receive an offer by email.

What to do when you receive an offer

If we've met your preference and your child lives in Devon, we assume the offer is accepted. We don't expect you to write to tell us you accept it. Your school will be in contact shortly afterwards and all future contact should be between you and the school. If you don't wish to accept an offer, please confirm this in writing either to us or to the school.

If you don't respond to the school, we will try and make contact with you. If we can't then the offer may be withdrawn and the place offered to another child. You should be aware of the offer date if you are likely to be away on holiday and unable to access your emails or post.

What to do if your application is refused - waiting lists and the right of appeal

Your child's name will be placed on a waiting list and you will have the right of appeal to an Admissions Appeal Panel, independent of the school. When we inform you of your offer, we will explain how the appeals process works. If you are refused a place, you can also make additional preferences. The offer is not affected if you appeal. You don't risk that place by appealing elsewhere.

If you are refused at a school in another LA area you will need to contact the school to find out about their appeals process.

EHCPs

If your child has an Education, Health and Care Plan, you can apply in the usual way at [devon.cc/admissionsonline](https://devon.gov.uk/cc/admissionsonline) or by using a hard copy form available from the LA. However, the process of allocating a place is different. Your application will be forwarded to the 0-25 Special Educational Needs Team and they will manage the process which to name a school for your child. The School Admissions Team will not allocate a different school place.

If your child doesn't have an EHCP but you expect one to be issued, you must make an application in the usual way in case an EHCP isn't issued or is issued after offers are made for the normal round. Please tell us on your application that an EHCP may be issued so that the School Admissions Team can liaise with the 0-25 SEN Team. It is important that the LA doesn't process an application and offer a place in conflict with the EHCP process. **Please note that places in a special school will only be arranged by the 0-25 SEN Team.**

Your preferences can be for a state-funded mainstream school, support centre in a mainstream school or a special school. You will want to consider carefully the views of your child's current school or setting and other professionals who work with your child. These should have been discussed at the Annual Review Meeting. The Admissions Service will pass your preference details to the 0-25 Team, so it is very important that you apply on time.

The 0-25 Team will write to you by 15 February to tell you which school will be named on your child's EHCP for September 2021. If this isn't the school you wanted you will have the right of appeal to the Special Educational Needs and Disability Tribunal (SENDIST).

Our advice is always to discuss your wishes with the 0-25 SEN Team if your child has an EHCP or is likely to have one issued.

Other LAs and sources of independent advice

If your child lives in Devon, near to the border of another local authority (LA) area, you may want to make a preference for a school in that area as well as, or instead of, a Devon school. If this is the case, you must still apply to Devon.

If your child lives outside England and you wish to apply for a place in a Devon school ahead of a move to the area, you can apply to Devon. However, if your child does not have a right of entry into the country, we will not accept an application until your child has entered this country or you can provide a valid visa permitting entry. Visas are not generally issued sufficiently far in advance for the normal round admissions scheme.

When we receive your application we will contact the neighbouring LA to tell them about the school(s) in their area for which you have expressed a preference. They will consider your application alongside the others that they receive. They will then let us know their decision.

If you don't live in the Devon LA area but you would like a place in a Devon school, you must complete the application form for your child's 'home' LA. They will then tell us that you would like a place in a Devon school. In turn, we will advise your child's home LA whether a place is available. That LA will write to tell you about the secondary school place which is offered for your child, even if it is a school in the Devon LA area.

School transport

Every Devon child of statutory school age is entitled to free school transport if they are attending the closest school to home and it is further than a walking distance of two miles for primary children or three miles for secondary children. There is additional entitlement for secondary age children from low income households and for a primary or secondary age child in this county to attend a single catchment school. If there is more than one catchment school for an address, free transport on catchment grounds is limited to one - that will be the one Devon recognises for the purposes of designated school transport. Our online maps show which this will be across the county - see devon.cc/schoolareamaps.

Parents can express a preference for a place at any school, but that doesn't mean there will be free school transport. It is important to check whether there is an entitlement and, if not, consider carefully how your child is going to get to that school for the whole of the time he or she is there. Transport for non-entitled students such as foreign exchange students, taking friends home to tea and to work experience placements and induction days is not provided.

How do I check if my child is eligible?

If you apply for a place at the school designated to serve your child's home address and that is more than two miles away by the shortest walking route, (for primary schools) or more than three miles (for secondary schools) you will be entitled to free transport. You can check your child's designated school at devon.cc/schoolareamaps or by calling 0345 155 1019.

Sidmouth CofE Primary School operates two sites for children in Key Stage 1: the former All Saints' Infants and Sidmouth Infants' Schools. Transport on designated school grounds is only available to the nearer of the two sites to the home address.

How are distances measured?

Walking distances are measured using the shortest available walking route. This may include roads, recognised footpaths and bridleways.

Measurement is made between the entrance to your child's home and the nearest official entrance to the school grounds. Private driveways in schools are not included in the measurement. Distances are measured using Devon's geographic information system (GIS).

What if I have expressed a preference for a school because of religion or belief?

You should consider how you will get your child to school. If you prefer a school on the grounds of religion or belief please be aware that Devon will only provide transport to the designated or nearest school to home (more than two miles away via the shortest available walking route). Secondary-age children from low income households are entitled to free transport to the nearest faith school between 2 and 15 miles from home.

St Michael's CofE Primary Academy, Exeter - the entire parish constitutes the admissions designated area for St Michael's and covers a number of other Exeter school designated areas. There is no transport entitlement on designated school grounds to St Michael's.

Whose responsibility is transport to school?

You must make sure that your child gets to and from school. If you are entitled to free transport for your child, that responsibility is met when you take up your entitlement. Otherwise you must make your own arrangements. You are encouraged to consider the practicalities of getting to a school which is not in walking distance if it isn't the designated or nearest.

If I am refused free transport can I appeal?

Yes. We operate two levels of appeals to review decisions. Firstly, a review panel consisting of senior officers of the LA will look at the case you make for free or supported transport. This panel can set aside the travel policy where a need for support is demonstrated. There is a further right of appeal to a panel consisting of County Councillors.

If free transport is withdrawn can I appeal?

Yes, if you are unhappy with the decision about

eligibility for education transport or the withdrawal of transport please contact the Education Transport Team on 0345 155 1019 and explain the problem fully. They will advise you on your options.

Do I have to apply for school transport?

If your child is starting school at the designated or nearest school to the home address in September and lives more than the walking distance from that school, the Education Transport Team will contact you, normally by email, during May or June to let you know your child is entitled to free school transport. If you haven't been contacted, please ring 0345 155 1019 for advice.

Church of England Parishes

The catchments for some faith schools include parishes which extend further than the areas which have been accepted for transport entitlement purposes. There is no entitlement to free school transport on designated school grounds in these areas. If you live within such an area - that is, inside the school catchment but outside the LA recognised designated area, you will not be entitled to free school transport on designated school grounds. It may be that there is an entitlement to free transport because the school is the nearest one available. You can see the designated areas we recognise for transport purposes by visiting devon.cc/schoolareamaps.

You can check whether a parish overlaps with another school's area by looking at its oversubscription criteria and any map held by the school. This applies to St Helen's Church and to Lady Modiford's Church of England primary schools.

Travelling to school

It's our vision that Devon will be the 'greenest' county in England and that every child will be able to travel to school as healthily, sustainably and, most of all, as safely as possible. Please consider when selecting a school for your child, the proximity and accessibility of the school to your home. Daily physical exercise in the form of walking, cycling and walking for a bus or train are all beneficial

for your child's health, as well as being sociable, better for your pocket and better for the local and global environment. Devon works with a hierarchy of travel options giving priority to walking and cycling, then school and public transport followed lastly by taxi and car travel. For more information: stplans@devon.gov.uk

Your local school could be filled by 'positive' preferences. If you don't apply for your local or designated school on time your child may be allocated to a school further from home. If this happens any transport arrangements will be your responsibility.

Other local authority areas and transport

A primary school in another county may be closer to your child's home than the nearest Devon school. If the school in Devon that you would like your child to go to is not your designated school, and there is a closer school across the county boundary, you may not be eligible for free school transport. If you live close to the boundary and you are thinking of applying for a school which is not the one designated for your child's home address, please consider how your child will get to school.

Where there are two sites for a school, transport entitlement is measured to the nearest site appropriate for the pupil - this applies with the Upper and Lower sites of Queen Elizabeth's in Crediton.

If your child does not have a Statement of Special Educational Need or an Education, Health and Care Plan and is attending a mainstream school, please contact us on 0345 155 1019 if they have special needs or medical issues that affect their ability to get to school or to use the transport that is provided.

Talaton and the surrounding area attract free transport on catchment school grounds for new applications to Payhembury and not Feniton Church of England Primary School.

When can a child start in a primary or infant school?

Children must be in full-time education by the start of the term following their fifth birthday. They don't have to be in education before then. This doesn't necessarily mean being in school – you may decide to educate your child at home. Offers are for full-time admission at the start of the September term following a child's fourth birthday.

Options for parents

When you are offered a place in Reception for September, you have the following options:

1. full-time admission
2. part-time up to statutory school age
3. defer admission up to statutory school age and take up your Early Years Entitlement hours in a pre-school setting
4. defer admission up to statutory school age within the same academic year and make other arrangements such as your child remaining at home
5. decline the offer and delay admission to the next academic year

You can't take a part-time place in Reception and **free** sessions in a pre-school setting. You could arrange for additional pre-school hours but you would have to pay for them. The part-time option in Reception is a parental right though parents cannot insist on a particular pattern of attendance.

Deferred admission

As a parent, you have the right to defer your child's admission until the statutory school age: the beginning of the term following their fifth birthday. This is a decision for you as a parent to make. We would advise you to take all factors into account including the advice of the headteacher at the school, other education professionals and any health or social care professionals working with your child.

If you wish to defer admission, you must inform the headteacher of the school which has been allocated. That place will be held open up to the start of the term after your child's fifth birthday within that academic year and will not be offered to another child. If you don't let the headteacher

know and your child doesn't start on the date offered, the place may be withdrawn and offered to another child.

Summer-born children can't automatically defer admission and enter school in a Reception class in the following September. Parents must make an application for a Year 1 place after the summer half-term in 2022: please see the table on the next page - "When Can My Child Defer Admission?"

It is possible that this class may have been filled during the Reception year. A place will not have been reserved.

Delayed admission for summer-born children

You may wish your child to start in Reception an academic year later than normal. Although it is not necessary, such a request is often supported with social, medical or educational evidence from a relevant professional who is independent of your family. If your request is agreed by the admission authority for the school, you must then reapply in the next normal round. A place isn't guaranteed a year in advance as the application will be considered alongside all other applications - there is no additional priority on the grounds that the application is for a delayed place. Please contact us or the schools you are interested in for further information. It is advisable to consider more than one school in case the school you want is unable to offer a place.

There is a right to request delayed admission on any grounds you wish; there is not a right to that request being allowed by a school.

Early admission

Admission is not offered earlier than the official offer date of September, when a child would not have reached his or her fourth birthday. Parents can request admission as a three year old. The school admissions authority will say whether they agree or not. There is no right of appeal against this decision.

Who can transfer to a junior school?

Junior schools admit children from the start of Year 3 and the intention is that they provide the next school on from infant schools. When children reach the end of Year 2 at an infant school, they have to leave and join another school. To enable them to do that, we write to their parents and let them know how to apply. This takes place at the same time that we write to the parents of children known to us in pre-schools who are eligible to apply for a Reception place - at the end of October.

Although the large majority of children who start in Year 3 at junior schools are from infant schools, it is open to any Year 2 child to apply for transfer to a junior school. Those who are at a named feeder infant school will have priority for admission but any Year 2 child can apply to join a junior school as part of the normal round of admissions. To do that, parents can apply online or use the D-CAF2 common application form.

Parents of children in an infant school don't have to apply for a junior school but they do have to make arrangements for education after Year 2. This could be at a primary school. Applications to join Year 3 at a primary school are not normal round applications. Instead, the application would be for an in-year admission, made from the summer half-term of Year 2. These applications are considered alongside any other applications for a September start in Year 3. There is no additional priority for admission to a primary school for children moving from an infant school.

There are seven junior schools in Devon. All are located close to an infant school:

Ilfracombe Infant and Nursery School
Ilfracombe Church of England Junior School

Ladysmith Infants' School, Exeter
Ladysmith Junior School

Pilton Infants' School, Barnstaple

What about transfers to studio schools and UTCs?

When young people are in the last year of Key Stage 3 at their secondary school, they are asked to think about their Options for Key stage 4. This will often be in Year 9 though a number of secondary schools operate with 3 academic years for Key Stage 4 which means Options decisions are taken in Year 8.

Options will include GCSE subjects or other, vocational courses. Until recently, these courses for 14 year olds have been made available only in secondary schools and have, almost always been an internal matter within a school. 2015-16 saw the first of the new type of schools opening in Devon - studio schools and university technical colleges. These are schools that take young people only from Key Stage 4 onwards and offer them general GCSE subjects and a specialism. Devon's offers are the Atrium Studio School in Ashburton and the South Devon University Technical College in Newton Abbot.

Atrium Studio School is an option for students in Years 9-13 specialising in the Built Environment. It offers education for students aspiring to professional careers in areas including architecture, interior design, ecology, structural engineering, surveying and planning. This is the only studio school in the country that admits into Year 9 and Year 10.

The South Devon UTC is an option for students in Years 10-13 specialising in Engineering, Water and the Environment. This College does not participate in co-ordinated admissions and applications must be made direct to it.

There are other studio schools and UTCs in neighbouring areas of Plymouth and Torbay.

What are Studio Schools and UTCs?

They are state-funded schools offering education in Key Stage 4 and Key Stage 5 (post-16 education). They are comprehensive schools so there is no selection test. Young people can choose to seek a place here instead of studying for GCSEs or vocational courses at a secondary school. They have longer days and there is a greater focus on

work experience and learning through links with local businesses.

How to apply

Studio schools and UTCs can opt out of normal round co-ordination - as have the Atrium and South Devon UTC. Applications should be made direct to the schools themselves. Other establishments continue with co-ordination and parents of Devon children can apply via this LA.

When to apply

To apply for a Key Stage 4 intake to the Atrium, parents apply between September and October when their child is in Year 8. For the South Devon UTC and any other studio school or UTC, parents apply between September and October when their child is in Year 9.

Are they compulsory?

No. There are no studio schools or UTCs in most parts of the county and many young people will be unable to travel to and from them each day.

There is no requirement to transfer from secondary school to a studio school or UTC. Whether a parent or a young person applies to transfer is entirely a matter of preference. We will not assume that any individual will be seeking to transfer but will handle any applications that are made.

For most young people in Devon, the decision will be to stay at their current secondary school as they move from Key Stage 3 to Key Stage 4. As with any decision on Options, we very much encourage parents and young people to discuss the future in-school, visit other establishments if they wish and to fully consider what is available locally.

The LA does not encourage or discourage any particular educational route.

What if you don't apply?

We will assume that there will be no transfer and that your child will stay at the current secondary school. We will not prompt any family to make an application.

What about applications for sixth forms?

Young people in England reach the end of compulsory education on the last Friday in the June of the academic year of their 16th birthday. There is a requirement to remain in work-based training or education until the age of 18 but the school leaving age is 16.

For most young people, they reach the end of Key Stage 4 in Year 11 when they turn 16. The next step is to move onto post-16 education and Key Stage 5 with a choice between a school sixth form or a Further Education (FE) College.

Applications to sixth forms and FE Colleges are not managed by local authorities. Young people must apply direct to them - parents apply for education places while a child is of statutory school age, parents or the young people themselves can apply for a post-16 place.

The offer of places will be by each sixth form individually, not by the LA.

For young people who opt to attend a sixth form in Year 12, either at a secondary school or a studio school or a UTC, that will either be at the establishment they attended in Year 11 or at a new one.

Internal candidates for sixth form

If they stay at their Year 11 school (as most do), there is no requirement to make a formal application. This is because he or she is already on roll at that school. This does not guarantee a place on any particular course as the academic criteria for courses must be met by all candidates, unless the admission arrangements allow for this to be waived.

External candidates for sixth form

Young people who want to move to a different sixth form do have to apply. A sixth form can't refuse admission on behavioural grounds but could do so if it was oversubscribed, just as in any other Year Group. There will be a PAN for sixth form where this is a normal intake point for young people. That PAN only relates to external candidates and not

those moving from Year 11 within the school. The same published academic requirements for the courses themselves apply for external as well as internal candidates.

Which application form?

Devon doesn't co-ordinate applications so any application must be direct to the school sixth form. This will either be on an application form for the school or by using a common application form provided by the local authority (LAs have to make one available for parents and young people to use. In Devon it is the D-CAF5). The school's website and admissions policy will make it clear which should be used.

As applications are not co-ordinated, the closing date and the date when decisions are sent to applicants can vary from one sixth form to the next. Offers for admission may be subject to reaching the required academic standards, confirmed in August when GCSE results are published.

Only external candidates should complete an application form.

All candidates will be asked to complete an Options Form, telling the school about the subjects of interest. This will be used for planning purposes but will not inform the decision whether the place is available.

Interviews

Sixth forms cannot interview candidates or use information on application and options forms as grounds to refuse admission. Guidance meetings will take place - these should enable the young person to make a fully informed decision about a preferred school and preferred courses.

In-Year Admissions

You can apply through us for a place at most state-funded schools in Devon using our in-year common application form. This is available by calling 0345 115 1019 or at devon.cc/admissions.

Sparkwell All Saints Primary School, Pilton Bluecoat Church of England Academy, Brayford Academy, Witheridge Primary Academy, High Bickington Primary School and Umberleigh Academy provide their own in-year application forms.

You can apply at any time to change schools in year, whether you have moved home or have changed your preference for a local school though they not be considered further in advance than 8 school weeks - 40 school days - (16 school weeks for children from UK service personnel families).

Moving to a new school is an important step for any child. Sometimes it is necessary because of a house move to a new area. If you are not moving address and would like to change your child's school, you should take the following into consideration:

- How will your child cope with learning new rules and having to do things differently, or possibly having missed important work?
- For secondary school children during Key Stage 4, will the new school not only be able to offer a place, will they be able to match the GCSE subjects and examination boards?
- If your child has brothers or sisters at the same school, transferring one child may affect the others. Will it be difficult for you to have children attending different schools? How will you manage if the start and finish times aren't the same or if your children will need to be dropped off and collected at the same time from two schools? Some schools in Devon are full and may not be able to offer you a place.
- Will there be an entitlement to free school transport to a new school? If not, how will you get your child to and from school?
- Will moving schools resolve the difficulties you feel there are at the current school or simply

move them elsewhere?

- Is your move influenced by any recent or ongoing intervention by social care or other agencies prompted by the school? Concerns are likely to be followed up at any school and this may be more effective where your child has adults around them who know them.
- In addition to reading the In-Year Admissions Guide, we advise that you sit down with your child and ask them why they want to move to a different school. If they mention that they are being bullied or not getting on with other pupils, you should speak to your child's class teacher or headteacher first in order to try and resolve the situation. All schools have an 'Anti-Bullying Policy' that must be followed. If, after doing this, you still have major concerns or are unhappy about the way the school is dealing with your complaint, you should make an appointment to speak to the headteacher. You may also write to the Chair of Governors.

Nevertheless, parents have the right to transfer to a new school whether there is a house move or not. Whether a new school is in the best interests of a child is a matter for a parent to decide - we very much encourage parents to discuss any potential move with staff and head teacher of the current school to try and resolve any problems.

If your child already has a school place locally then a transfer to a new school will usually only take place at the beginning of a term or half term. If both head teachers agree that a quicker move is necessary, the move can take place earlier. Admission to a new school where a child has moved and does not have a local school place should always take place as quickly as possible.

Sometimes, where a child is struggling and may be at risk of being permanently excluded, a Managed Move to another school can be helpful in securing a fresh start with additional support from the schools themselves and the LA.

In-Year Fair Access Protocol

Devon operates a Fair Access Protocol which provides for the in-year admission of children in certain circumstances when the school is full and the Year Group has begun. The In-Year Fair Access Protocol **does not apply for normal intake** admissions. It is not used where:

- a child already has a school place locally, and / or
- a child can be offered a place at a school to which his or her parent has applied for admission

The In-Year Fair Access Protocol is a safety net where a child would otherwise not be able to access state-funded education. The LA aims to protect schools from a disproportionate number of challenging children being admitted under the Fair Access Protocol.

Other information

Help with school meals

If you receive the following benefits, your child is eligible for free school meals:

- Universal Credit (provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods).
- Income Support (IS).
- Income-based Jobseekers Allowance (IBJSA).
- Income-related Employment and Support Allowance (IRESA).
- The guaranteed element of State Pension Credit.
- Support under Part VI of the Immigration and Asylum Act 1999.
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income as assessed by Her Majesty's Revenue and Customs, that does not exceed £16,190).
- Working Tax Credit run-on (the payment you get for a further 4 weeks after you stop qualifying for Working Tax Credit).

You can get more individual advice by calling the Education Helpline on 0345 155 1019.

The Pupil Premium

This is additional school funding for children registered for free school meals at any point in the last six years, those who have been looked after continuously for more than six months and children of service personnel. Your child doesn't need to take free school meals for the school to receive the additional funding.

School Uniform

Many schools feel that a uniform plays a valuable role in setting the tone of a school. Uniforms for a school should be widely available rather than from a sole supplier. Schools shouldn't require children to wear uniforms to raise additional funds. Schools with a uniform should make discrete arrangements so that no family feels unable to apply for admission on account of the cost of uniform. This applies equally to sports kits and any other equipment which is required by pupils. Devon doesn't provide a uniform grant. In cases of exceptional hardship,

parents may seek advice from the Education Welfare Service: www.babcockldp.co.uk

Private Fostering arrangements

This is when a child under 16 years (or 18 if they have a disability) is looked after for 28 days or more by someone who is not a close relative, guardian or person with parental responsibility. Close relatives include parents, step-parents, aunts, uncles and grandparents. It isn't private fostering if the arrangement was made by Devon County Council or if the person looking after the child is an approved foster carer.

The child's parent(s), private foster carer and anyone else involved in the arrangement are legally required to tell Devon County Council in writing, immediately, if the arrangement has already started or is due to begin within six weeks. We will work in partnership with the child, parents and private foster carer to make sure that the best possible arrangements are in place. This includes advice on cultural, religious and linguistic needs as well as support for the child, parents and private foster carer.

You can contact the Private Fostering Team by email mashsecure@devon.gcsx.gov.uk or visit www.fosteringindevon.org.uk or call 0345 155 1013.

Insurance

Devon County Council is insured against its legal liability for any injury, loss or damage caused to pupils as a result of negligence on its part or that of its employees. Pupils attending County Council schools are not insured for personal accident benefits while on education premises or on work experience schemes. However, insurance cover is provided for pupils taking part in organised school trips and visits. We expect pupils to accept responsibility for their personal possessions, including money. Parents may consider taking out insurance themselves to cover any risks. Further information is available from schools - particularly academies which are not maintained by Devon.

Home-School Agreements

These agreements can promote greater involvement by parents in children's education. They can set out what is expected of and for children and families at a school. After a place has been offered, the school may ask parents to sign an agreement. Admission is not conditional on an agreement being signed.

Religion and Belief

All schools are required to provide religious education that fulfils the requirements of a locally agreed syllabus. Voluntary aided schools with a religious character normally follow a Diocesan syllabus or one agreed by the governing body. Religious Education (RE) is intended for all pupils. However, parents have the right to withdraw their child from the subject. We encourage parents to discuss the school's RE provision with headteachers. All schools are also required to have collective worship for all pupils every day. This will follow a pattern agreed by the governors of the school. Collective worship is intended for all pupils. However parents also have the right to withdraw their child from collective worship.

Contribution to school funds and trips

There is no charge or cost related to the admission of a child to a school.

Many schools operate a school fund to which and ask parents to contribute. Such donations are entirely voluntary and cannot form a condition for admission. The money collected in this way is used to pay for activities or to buy uniform and equipment.

Glossary and Definitions

Schools may use their own definitions for terms used in their admissions policies. Where one of these schools doesn't define their terms, the Devon definitions will be the default definition. You can view our full glossary for school admissions and transport at devon.cc/admissionarrangements.

Academy - a state-funded school independent of LA control. It must take part in normal round co-ordinated admissions.

All-through school - a school which admits children to primary and secondary year groups. Children in Year 6 automatically have a place in Year 7 though they can apply for another secondary school.

Catchment area - see Designated area.

Children in Care - see Looked After Children.

Children formerly Looked After or formerly in Care - children who were looked after by or provided with accommodation by Devon County Council or any other local authority but were then immediately adopted or made the subject of a child arrangements order or made the subject of a special child arrangements order. For admissions purposes, they are considered as if they were still in Care.

Community schools - state schools in England which are wholly owned and maintained by the LA which is the admitting authority with responsibility for deciding arrangements for admission.

Designated area - also known as a catchment area. The geographical area served by a school. Children living in a school's designated area will have a higher priority for a place. Residence "in-area" does not guarantee admission. There is an additional entitlement in Devon to free transport where a child attends a school that is designated for the home address (minimum distances apply).

Education, Health and Care Plan - a document that acknowledges and makes provision for a

child's special educational needs. A child with an EHC Plan naming a school must be admitted.

Foundation schools - maintained by the LA but where the governing body is responsible for admission and appeal arrangements.

Free schools - academies governed by non-profit charitable trusts.

Home address - We will not accept more than one address as the child's home address.

Where we ask for evidence of the address from which a child would attend school, this would often be written confirmation of a house purchase or a formal tenancy agreement. We recognise that some families may be unable to provide this - for example, where a house move is at very short notice or where a family is escaping domestic violence. If you cannot provide this evidence, please contact us. We do not intend to penalise families where there is a genuine reason why the usual evidence cannot be provided.

The terms of a child arrangements order may clarify the home address. Where necessary to determine which address to recognise and in the absence of a child arrangements order, the LA will consider the home address to be with the parent with primary day to day care and control of the child. Evidence may be requested to show the address to which any Child Benefit is paid and at which the child is registered with a medical GP. Any other evidence provided by parents will also be considered in reaching a decision on the home address for admissions purposes.

This may be necessary for instance where parents do not agree on the child's home address. Parents are urged to reach agreement or seek a Specific Issues Order from a court to decide which parent should or should not pursue an application. Where they do not, the admissions authority will determine the home address.

Infant Class Size - classes are limited to 30

children with a single teacher in Reception, Year 1 and Year 2. Where there is an appeal, the Panel can only consider the information that was known at the time the original application was made, not new information or changes in circumstance.

In-year admissions - these take place after a Year Group has begun at a school - during Years Reception to Year 6 in a primary, Years 3 to 6 in a junior school, Reception to Year 2 in an infant school, Years 7 to 11 in a secondary school or Years 9 to 11 in a studio school or UTC. Oversubscription criteria for in-year admissions will be the same as at the normal round transfer except that there will be no reference to attendance at a linked pre-school.

LA - local authority, eg Devon County Council.

Linked schools - also known as feeder or contributory schools. These are schools with particular links with a secondary school for transition and the curriculum. Brings priority - but not a guarantee - for admission to the secondary school.

Looked After Children - cared for or looked after by or provided with accommodation by Devon County Council or any other local authority. Also known as Children in Care.

Oversubscription criteria - the rules used to prioritise applications and decide who should be offered a place when there are more applications than places. They are not used where a school has fewer applications than there are places available.

PAN - the Published Admission Number. The minimum number of children to be admitted to a school at the normal round of admissions where there are sufficient applications.

Parents - A parent is any person who has parental responsibility of care for the child. When we say parent, we also mean carer or guardian.

Preference - The school named in an admissions application. When we say "expressing a

preference" we mean making an application that names a school.

Sibling - This will be a full, adopted half or step brother or sister and will include a full, adopted half or step brother or sister living at a different address. Foster children will count as a brother or sister to those living within the foster household or where appropriate, the natural parental home address.

Statement of SEN - Special Educational Needs, sometimes requiring a Statement or EHC Plan for a child. A child with a Statement of SEN which names a school must be admitted to that school.

Supplementary Information Form (SIF) - All parents who list their preferred schools on an LA common application form are regarded as having made valid applications. An additional form may also allow applicants to be considered under faith criteria for faith schools, where there is an Exceptional Need to attend the school, as a consequence of a parent being a member of staff at the school, for boarding schools and for selective schools. In all cases, a Common Application Form must be completed. It is a parent's responsibility to check whether a SIF is required and to provide evidence if that is necessary.

Voluntary Aided schools - these schools have a religious ethos. The governing body is responsible for admission and appeal arrangements. These schools usually prioritise children of their faith.

Voluntary Controlled schools - these are schools in England which are maintained by the local authority with a Foundation (generally religious) which appoints some of the governing body. The LA is the admissions authority.

D-CAF1 – School Admissions Application Form

Normal Round Admission to Primary School

At the first intake into a state-funded Primary, Infant or First School.

Apply using this form if your child lives in Devon (not Plymouth or Torbay) even if one or more of your preferences is not in Devon. For Reception in September 2021, your child will have been born between **1 September 2016 and 31 August 2017** (inclusive). Applications can be submitted for a place out of a child's chronological year group. Use this form even if you plan to defer admission to later in the school year or, if your child was born between April and August, you are considering delayed admission to September 2022.

Name or "express a preference for" 1, 2 or 3 schools. You don't need to name 3 schools, but we advise parents who apply for a school which is not the catchment school to consider naming more than 1 and to include the catchment school. Check whether any of the schools ask you to provide evidence by completing a school Supplementary Information Form or providing a letter from a priest as well as this form (check Devon schools at <http://devon.cc/schoolpolicy>).

You are strongly advised to read the Step by Step Guide and school policies and to ask if you have any questions - call 0345 155 1019 or email admissions@devon.gov.uk

Applications may be considered late and at a disadvantage if submitted after **15 January 2021**. This form cannot be used after 31 August 2021.

You can apply online at www.devon.gov.uk/admissionsonline

Section D – declaration and signature

Schools can only prioritise applications according to the oversubscription criteria in their admissions policies, published on school websites and, for Devon schools, at <http://devon.cc/schoolpolicy> and can only consider information you provide. The reasons you mention in admissions applications will be shared with the school and at appeal if you are refused admission. If you have indicated that your child is in Care or was previously in Care, please tell us the name and contact details of the supporting social worker or agency. You can attach documents to this application. If you don't complete and return a school Supplementary Information Form, your application cannot be prioritised on those grounds.

- I confirm that the details on this form are accurate.
- I understand I must inform the school or School Admissions Service if this child's circumstances change before admission; for example, there is a house move.
- I understand transport to a school I prefer which is not the nearest available or recognised as the designated school for transport purposes, in Devon or in a neighbouring county, may be my responsibility. I have read information on transport eligibility including exceptions to designated school eligibility at www.devon.gov.uk/school_transport and also at www.devon.gov.uk/educationandfamilies/school-information/apply-for-a-school-place/school-designated-areas
- I understand it is my responsibility to check whether I am required by a school's admissions policy to complete a Supplementary Information Form (SIF) as necessary.
- I understand that where I have completed an Exceptional Social or Medical Need Supplementary Information Form it is my responsibility to provide supporting evidence from a relevant professional
- I have read the Step by Step admissions guide for further information on this process.
- I have also read or, had the opportunity to read, the individual school admissions policies and the Local Authority's co-ordinated admissions scheme - for Devon at <http://devon.cc/schoolpolicy> and <http://devon.cc/lapolicies> or by contacting schools and LAs elsewhere as appropriate.

- I understand that I could contact the School Admissions Team to resolve any queries throughout the application process, at admissions@devon.gov.uk or 0345 155 1019

D-CAF2 – School Admissions Application Form

Normal Round Transfer to Junior School

At the first intake into a state-funded Junior School.

Apply using this form if your child lives in Devon (not Plymouth or Torbay) even if one or more of your preferences is not in Devon. For Year 3 in September 2021, your child will have been born between **1 September 2013 and 31 August 2014** (inclusive). Applications can be submitted for a place out of a child's chronological year group.

Name or "express a preference for" 1, 2 or 3 schools. You don't need to name 3 schools, but we advise parents who apply for a school which is not the catchment school to consider naming more than 1 and to include the catchment school. Check whether any of the schools ask you to provide evidence by completing a school Supplementary Information Form or providing a letter from a priest as well as this form (check Devon schools at <http://devon.cc/schoolpolicy>)

You are strongly advised to read the Step by Step Guide and school policies and to ask if you have any questions - call 0345 155 1019 or email admissions@devon.gov.uk

Applications may be considered late and at a disadvantage if submitted after **15 January 2021**. This form cannot be used after 31 August 2021.

You can apply online at www.devon.gov.uk/admissionsonline

D-CAF5 – School Admissions Application Form

To a School Sixth Form

At the first intake or for in-year admission into a state-funded Sixth Form College.

This form can be used by a student in their own name or by their parent (or carer). It can be used for admission to any state-funded sixth form within the county of Devon regardless of the home address of the student. Devon-resident students seeking admission to a sixth form outside Devon should approach the sixth form directly.

This form can be used for the normal round into year 12 or for in-year admissions into year 12 or 13. For year 12, the student will have been born between **1 September 2004 and 31 August 2005** (inclusive). Applications can be submitted for a place out of a child's chronological year group.

Check whether the sixth form asks you to provide evidence by completing a Supplementary Information Form as well as this form (check at <http://devon.cc/schoolpolicy>)

You are strongly advised to read the Step by Step Guide and school policies and to ask if you have any questions - call 0345 155 1019 or email admissions@devon.gov.uk

Applications may be considered late and at a disadvantage if submitted after the closing date set by the sixth form you are interested in. This form cannot be used after 31 August 2021.

This form should only be used for external candidates, seeking to transfer to a new setting at year 12. Internal candidates moving on from year 11 to year 12 at the same setting are not required to make a formal application. (Internal and External candidates will be asked to complete an Options Form. This is not an admissions application form.)

Section A – details about the student

Applications for students with an Education, Health and Care Plan will be forwarded to the 0-25 Special Educational Needs Team. This will not affect the setting this student will attend. Please tell us here if this student has an EHCP.		YES / NO
Schools are not obliged to admit a student who has been Permanently Excluded from school twice with the most recent exclusion being in the last 2 years. Please tell us if this student has been twice Permanently Excluded.		YES / NO

Section D – declaration and signature

Schools can only prioritise applications according to the oversubscription criteria in their admissions policies, published on school websites and, for Devon schools, at <http://devon.cc/schoolpolicy> and can only consider information you provide. The reasons you mention in admissions applications will be shared with the school and at appeal if you are refused admission. If you have indicated that this student is in Care or was previously in Care, please tell us the name and contact details of the supporting social worker or agency. You can attach documents to this application. If you don't complete and return a school Supplementary Information Form, your application cannot be prioritised on those grounds.

- I confirm that the details on this form are accurate.
- I understand I must inform the school if the student's circumstances change before admission; for example, there is a house move.

- I understand transport to a school I prefer which is not the nearest available or recognised as the designated school for transport purposes, in Devon or in a neighbouring county, may be my responsibility. I have read information on transport eligibility including exceptions to designated school eligibility at www.devon.gov.uk/school_transport and also at www.devon.gov.uk/educationandfamilies/school-information/apply-for-a-school-place/school-designated-areas

D-CAF7 – School Admissions Application Form

Normal Round Admission

At the first intake into a state-funded Middle School or other school admitting children into another year group for the first time. Use the:

D-CAF1 for the normal round to a Reception class in a Primary, Infant or First School

D-CAF2 for the normal round to Year 3 at a Junior School

D-CAF3 for the normal round to Year 7 at a Secondary School

D-CAF4 for the normal round to a studio school or UTC

D-CAF-5 for sixth form admissions

Apply using this form if your child lives in Devon (not Plymouth or Torbay) even if one or more of your preferences is not in Devon. Applications can be submitted for a place out of a child's chronological year group. Use this form even if you plan to defer admission to later in the school year or, if your child was born between April and August, you are considering delayed admission to September 2022.

Name or "express a preference for" 1, 2 or 3 schools. You don't need to name 3 schools, but we advise parents who apply for a school which is not the catchment school to consider naming more than 1 and to include the catchment school. Check whether any of the schools ask you to provide evidence by completing a school Supplementary Information Form or providing a letter from a priest as well as this form (check Devon schools at <http://devon.cc/schoolpolicy>).

You are strongly advised to read the Step by Step Guide and school policies and to ask if you have any questions - call 0345 155 1019 or email admissions@devon.gov.uk

Applications may be considered late and at a disadvantage if submitted after **the closing date**. This form cannot be used after 31 August 2021.

You can apply online at www.devon.gov.uk/admissionsonline
