

ST CATHERINE'S PRIMARY SCHOOL.

FOUNDATION CLASS OPEN EVENINGS

We are pleased to invite you to attend an open evening at St Catherine's CofE primary school. This is an opportunity for families to visit our foundation classroom and school grounds prior to applying for Reception school places for the academic year of 2022-2023.

Come and discover our school which is grounded in the Christian values of respect and responsibility. Children in the Foundation class have access to a calming, Reggio inspired, autistic friendly classroom with daily access to a private garden and outdoor environment. Learning is child led with carefully planned provocations ensuring every child makes progress.

Booking is essential as spaces are limited for each session. Please contact the school office to book your place. Further information will be provided to anyone that has booked a space a week prior to your visit. If you can not attend the arranged dates please contact the office and we will accommodate you as best we can.

We look forward to meeting you.

Thursday 14th October
2021 @ 3:30pm

Friday 15th October
2021 @ 3:30pm

**PRE BOOKING IS
ESSENTIAL**
